STANDARD: Written policy, procedure and practice shall require collection of specimens of fingerprints, blood, and saliva from juveniles adjudicated of certain offenses, as set forth in K.S.A. 21-2511. All community supervision agency programs shall adopt and implement written policy, procedure, and practice, which shall address DNA (fingerprints, blood and saliva) collection pursuant to state and federal laws.

I. STAFF REQUIREMENTS

It is the responsibility of the Community Supervision Agency and staff to ensure collection of specimens required by K.S.A. 21-2511. Current Kansas Bureau of Investigation (KBI) format shall be followed. This responsibility shall not be delegated or assigned to residential or other service providers, although assistance may be requested.

II. INITIATION/COLLECTION

Community Supervision Agencies shall ensure all juveniles who become subject to the provisions of K.S.A. 21-2511 are identified and specimens are collected within 10 days of disposition.

III. REVIEW OF CASE RECORDS

Community Supervision Agencies shall provide for review of case records to ensure the requirements of this standard has been met, and if not, are corrected prior to the juvenile leaving Kansas via the interstate compact and/or termination of supervision.

IV. DOCUMENTATION

Community Supervision Agencies shall ensure that records concerning the collection of all required specimens shall be maintained in the case file.

V. COURT NOTIFICATION

Community Supervision Agencies shall notify the court of all juveniles who fail to cooperate with the collection of specimens and any deliberate act intended to impede, delay, or stop the collection.

VI. FEES

The Community Supervision Agency shall ensure that when a juvenile is placed under supervision the cost or fees associated with the collection of DNA samples shall be the responsibility of the Juvenile.

DISCUSSION: None

NOTE: The standards and procedures set forth herein are intended to establish operational guidelines for community supervision agencies and their employees/contractors and juveniles under supervision. They are not intended to establish state created liberty interests for community supervision agencies or their employees/contractors, or supervised juveniles, or an independent duty owed by the Juvenile Justice Authority to community supervision agencies, or their employees/contractors, supervised juveniles or third parties. This standard and procedure is not intended to establish or create new constitutional rights or to enlarge or expand upon existing constitutional rights or duties.
